

All general questions and inquiries should start first with Ryan Wieferich (ryan@mhsaa.com). This would include basic questions about registration, tournament assignments and other regular communication. Ryan can then route items and issues to the appropriate administrator.

For Officials Report issues, game incidents/situations, sportsmanship items and background check questions, Sam Davis (sam@mhsaa.com) is your first point of contact. Sam is also the first contact for approved association leadership, association trainers and registered assigners.

Assistant Directors Will McKoy (will@mhsaa.com) and Brad Bush (brad@mhsaa.com) are coordinating efforts in officials recruitment, retention, training & continuing education, college & high school officiating course curriculum models, tournament selection processes and general policies & procedures as found in the *MHSAA Officials Guidebook*

Continue to check the Officials page at mhsaa.com regularly for news, updates and additional information.

For sport-specific questions or issues, start first with the MHSAA sport administrator who can determine how to best assist you.
